-Choose Bible Reading Plan
-Gather Materials: Bible, Notebook, Pen, etc.
-Set a Time to Daily Meet with the Lord

Begin with Prayer:
I - Incline my Heart - Psalm 119:36
O - Open My Eyes - Psalm 119:18
U - Unite My Heart - Psalm 86:11
S - Satisfy Me - Psalm 90:14

Read:

Read your designated Bible passages for the day slowly, thoughtfully, prayerfully, carefully, and humbly. Note passages that you'd like to memorize.

Meditate:

Use these questions to examine what you've read:

What do these verses teach me about God?

What do these verses teach me about myself in relation to God?

In light of what has been revealed to me today, how can I apply God's Word to my life?

Pray:

Ask the Lord to change your heart, mind and attitudes in accordance with what you've read. Let your prayer time lead you through the acronym below.

P - Praise - Worship God for who He is

R- Repent - Confess your sin to God and seek His forgiveness, acknowledging your need for Jesus.

A - Ask - Intercede for your needs and the needs of others. Pray for opportunities to share the gospel with others faithfully.

Y - Yield - Humbly submit to His authority in your life and to follow Jesus where He leads you. Pray over your schedule for the day.

Share:

Don't forget to share what the Lord has taught you in your time today with one other person. Meditate on the truths you learned throughout your day.

"I won't close my Bible until I can prayerfully think of at least one way to apply what I've read."
